**ORDER:-**

In the reference 1st and 2nd read above, Govt. had accorded administrative approval and revised administrative approval respectively for Dr.B.R.Ambedkar Pranahita Chevella Sujala Sravanthi Lift Irrigation Scheme for creating an irrigation potential of 16.40 Lakh acres in the upland areas of erst while seven districts of Telangana namely Adilabad, Karimnagar, Medak, Warangal, Nalgonda, Ranga Reddy and Nizamabad.

2. As originally envisaged the scheme was divided into 28 packages. Package 14 was one of them consisting of Investigation, designs and execution of Lift Irrigation Scheme for drawal/lifting of 9.00 TMC of water from the New Reservoir at Thipparam(v) to new reservoir of 1.00 TMC at Pamulaparthi(v), Wargal (M) Medak District by water conveyor system with all associated components to irrigate an ayacut of 90,000 acres.

3. After formation of Telangana State, some of the on-going major projects taken up by the erstwhile Government of Andhra Pradesh in Telangana were reviewed and found to be having certain deficiencies in terms of location, unresolved inter-state aspects, hydrology, storage requirements and integrated irrigation plans. After detailed discussion of various options with experts and WAPCOS at the level of Hon'ble Chief Minister, it was proposed to incorporate certain changes. The matter was further examined by the Cabinet Sub-Committee constituted for this purpose.

4. Based on the recommendations of Cabinet Sub-Committee, in the reference 3rd read above, Govt. had approved the revised scope of work of package 14 and ordered as follows:

- a) To entrust the additional works which are indivisible (Approach Channel, Gravity Canal, Tunnel, Surge Pool, Pump House, etc) to the existing Agency at agreement rates.
- b) To entrust the divisible work of additional new ayacut by calling fresh tenders.
- c) To entrust the divisible work of formation of Kondapochamma reservoir (Pamulaparthi) by adopting Swiss challenge method.

5. In the reference 4<sup>th</sup> read above, the Engineer-in-Chief (Irrigation), Hyderabad has requested the Government for according administrative approval for "Execution of Gravity Canal with a discharge of 73.00 cumecs to 142.00 cumecs from off take point at 8.150 Km of Package-13 to Konda Pochamma Sagar with two stage pumping and all associated components of Package-14, Kaleshwaram Project" duly according permission for closure of contract with the existing agency M/s AMR-MAYTAS-KBL-WEG (JV) as per agreement clause No.55.3.

6. In this context, earlier the Government have approved D- shaped Tunnel with dia 5.50 M for increased discharge from 24.60 cumecs to 73 cumecs. Now, the Engineer-in-Chief (Irrigation), Hyderabad has requested the Government to change the Conveyance System from Tunnel to Open Gravity Canal which is feasible as per the site conditions and convenient to execute for constructing two stage pumping for increased discharge of 73 cumecs to 142 cumecs.

**P.T.O.**

7. After careful examination of the proposal submitted by Engineer-in-Chief (Irrigation), Hyderabad Government hereby accord administrative approval for "Execution of Gravity Canal with a discharge of 142.00 cumecs from off take point at 8.150 Km of Package-13 to Konda Pochamma Sagar with two stage pumping and all associated components of Package-14, Kaleshwaram Project" amounting to **Rs.2281.00 Crores** (Rupees Two Thousand Two Hundred Eighty One Crores), in modification of the orders issued in the reference 3<sup>rd</sup> read above, duly according permission for closure of contract with the existing agency M/s AMR-MAYTAS-KBL-WEG (JV) as per agreement clause No.55.3., subject to the following conditions:

- i) Ensuring adequate budgetary provision as per work programme within the overall allocation of financial resources to the Department.
- ii) Obtaining all statutory clearances from competent authority, due to change in scope of the original works as a result of re-engineering of the whole Project.
- iii) Making sufficient LA Provision in respect of estimates / revised estimates for execution of work.
- iv) Obtaining the write off of the unfruitful expenditure due to the work executed already by the existing agency is being determined and becoming un-fruitful.
- v) Implementation of new GST regime is to be ensured in place of provision made towards VAT.
- vi) Closing of the contract of the existing Agency before taking up the work with the modified scope.
- vii) Obtaining approved drawings from the Competent Authority before technical sanction.

8. The expenditure shall be debited to the following Head of Account:

4700 - Capital out lay on Major & Medium Irrigation  
01 - Major irrigation (Commercial)  
MH – 232 – Kaleshwaram Project  
GH – 25 – State Sector plan  
SH – 27 – Canals & Distributories  
530/531 – Other Expenditure.

9. This order issues with the concurrence of Finance (WP) Department vide their U.O.No.4365/204/WP/A1/2017, dated 14.7.2017.

10. The Engineer-in-Chief (Irrigation), Hyderabad, shall take necessary action, accordingly.
